Equity Mortgage is a full service mortgage banker that has been helping homeowners since 1986. We offer first mortgage, second mortgage and reverse mortgage programs. We are licensed in MD, VA, DC, DE, NJ, PA, NC & FL. We are proud members of NAIPC.

All members get a service provider listing on the new ageinplace.org website. Service provider listings are tailored for each provider and include contact information, a map powered by Google displaying the provider's location, a business logo or professional photo, and a biography or "About Us" section. The robust search feature allows seniors to search for providers in a number of ways, including by name, keyword, zip code, service category, chapter, and a number of other ways.

Benefits of National Membership

The Vetting Process

Our members are required to sign a “Code of Conduct” prior to obtaining membership. Additionally, members are required to complete a background check prior to obtaining membership. Our strong vetting process provides a sense of security to otherwise skeptical seniors and helps to set our members apart from other senior service providers.

NAIPC® Code of Conduct

Members of the National Aging in Place Council® are mindful that their success depends upon honor and integrity. To this end, NAIPC® members are bound by the following Code of Conduct.

1. Every member is committed to treating all clients, their families, and friends with respect and dignity.
2. Every member is committed to conducting themselves with the utmost honesty and integrity in his or her community.
3. Every member will take appropriate measures to maintain competence in their profession.
4. Every member will protect a client’s privacy and confidentiality.
5. Every member promises that any product sold will be consistent with the needs of the client.
6. If alternative options are available, a member will present all available options they offer that fit the needs of the consumer, as articulated by that consumer.
7. Every member will only suggest a third party company they know and trust.
8. Every member will take responsibility to report any suspected abuse or violations of the Code of Conduct of NAIPC® members to the National Aging in Place Council.
9. Every member will make a good-faith effort to resolve concerns received from individuals regarding any service or product.
10. Every member will encourage clients to talk to family or other trusted advisers before deciding on purchasing a product or service.

Benefits of National Membership

Use of NAIPC Logo

Members have the benefit of using our NAIPC® logo on any individual marketing or communication pieces. Members can proudly display their affiliation with our not-for-profit association, setting themselves apart from other service providers.

Benefits of Chapter Membership

LOCAL RESOURCES

About Us

The Greater Atlanta Chapter was founded in October of 2009 to create a local source of accurate information and quality resources for seniors wanting to remain in their home. An educational program was developed and presented to a crowd of over 40 that came to a local library in Dunwoody. We have now grown to over fifty members comprised of business owners, government agencies, individuals and non-profit organizations that all support aging in place in the Metropolitan Atlanta area.

Our chapter's mission is to make aging in place a viable option for all seniors in Metropolitan Atlanta. We do so through education and advocacy. Our members are dedicated to person-centered care that supports a senior's choice to remain in their home as they age. Please let us know if you would like us to present our "Guide to successful Aging in Place" program at your next neighborhood meeting, church gathering or local library. We also offer Aging in Place continuing education opportunities to professionals at our twice a year CEU events.
